HONORING PETTY OFFICER 2ND CLASS JAIME JAENKE

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, August 3, 2007

Mr. KIND. Madam Speaker, I rise today to honor Petty Officer 2nd Class Jaime S. Jaenke of Bay City, WI. Jaime courageously answered the call to serve her country in its time of need, and she made the ultimate sacrifice on June 5, 2006 when she was killed by an improvised explosive device that detonated near her convoy while she was conducting security operations in the Anbar Province of Iraq. As a Seabee reservist, Jaime was assigned to the Naval Mobile Construction Battalion 25 based at Fort McCoy, Wisconsin. Today, I bear witness that Jaime's efforts and the efforts of all our service men and women will forever be remembered. On Saturday, August 25, 2007, at the courthouse in Ellsworth, WI, a plaque will be dedicated in Jaime's memory.

Jaime is a true national hero who dedicated her life to helping and serving others. Beloved daughter of Susan and Larry, Jaime served as an emergency medical technician in Ellsworth, WI, before answering the call to serve in Iraq. As a medic for her unit, Jaime will be remembered by her comrades as a generous and compassionate individual. Friends and family will remember and cherish her caring and contagious smile and sense of humor. Jaime will be dearly missed by her loving daughter, Kayla. When we step back and realize the incredible service of our men and women in uniform, we must always remember Jaime, for she was one of our finest.

The men and women from Wisconsin serving in Iraq are doing a terrific job under very difficult and dangerous circumstances. They are simply the best that our nation has to offer. We will be forever grateful for the sacrifice made by Petty Officer 2nd Class Jaime Jaenke. She was a true patriot, serving her country selflessly while giving the Iraqi people the greatest gift of all, their freedom. She also gave the American people a great gift, the chance to live in a safer world.

As a mother, daughter, and friend, Jaime will live on in our hearts as a hero and her legacy will never be forgotten. I pledge to do all that I can to ensure that Jaime's life was not lost in vain.

Perhaps President Franklin Delano Roosevelt said it best: "She stands in the unbroken line of patriots who have dared to die, that freedom might live, and grow, and increase its blessings. Freedom lives, and through it, she lives—in a way that humbles the undertakings of most people."

May God bless Jaime, and take her into his care. And may God's special blessings bring comfort to Jaime's family and friends always.

HONORING CRAIG BIGGIO

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 3, 2007

Mr. BRADY of Texas. Madam Speaker, I rise today to recognize the amazing accomplishments and career of Craig Biggio. Over the past 20 years Craig Biggio has become as much a part of life in Southeast Texas as barbecue and high school football. The legacy he leaves on the field is only rivaled by the legacy he leaves off of it. He brings the same passion to helping children and the Houston community as he does in compiling career numbers that will surely land him in the Professional Baseball Hall of Fame someday.

Craig Biggio and his wife Patti have made a direct impact on lives of countless Houston families. By raising millions of dollars and offering his thoughtful support and leadership to Sunshine Kids he has proven a true role model for the kids in the number seven jerseys at Minute Maid Park. Trips to sporting events and the Houston Livestock Show and Rodeo have provided a moment of joy to families affected by cancer.

Craig Biggio would have fit right in with the baseball immortals, Williams, DiMaggio and Gehrig. Biggio has been accepted by Houston as one of their own by playing the game the way it should be played. He always played tough and hard-nosed, but respectful of his

teammates and opponents. While never one to be driven by statistics, his passion for the game has surely led to a spot in Cooperstown.

Earlier this summer, he joined the fraternity of select players to accumulate 3,000 career hits. He has collected four Gold Glove awards, been selected to seven All-Star teams and amassed enough career doubles to rank in the top 10 all-time. But most importantly to Astro fans are the team records he set in games played, runs scored, hits and doubles while leading his team to six playoff appearances in 9 years.

Madam Speaker, I am very proud to join with Astros fans across the country, baseball fans everywhere and my colleagues in the U.S. House of Representatives to recognize the amazing career and character of Craig Biggio. In an era where we just as often see our sports icons in the news for the wrong reasons, Texans can be proud to have witnessed one of baseball's greatest performers on the field and a tremendous example off it. I will cherish being able to share in the joy of watching Craig Biggio stretch a couple more singles into doubles over the last few months of his career. It has been a pleasure to watch him play the game the right way. On behalf of this Nation, I am honored to recognize Houston Astro Craig Biggio on his 3,000th hit, a tremendous career and being a man of tremendous character.

FILM AND TELEVISION EXPENSING LEGISLATION

HON. JOSEPH CROWLEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, August 3, 2007

Mr. CROWLEY. Madam Speaker, I rise with my colleague from California, Congressman WALLY HERGER, to introduce legislation to amend Federal tax law to allow for the immediate tax write-off of production expenditures for domestic film and television productions with aggregate costs under \$15 million or \$20 million in those select cases where the production is made in a distressed community.

This provision, section 181 of the Internal Revenue Code, was first enacted in the American Jobs Creation Act of 2004. It was added to protect the U.S. television and film industry that is increasingly filming in foreign locations, such as Canada.

In so doing, Congress recognized the important contribution our television and film production industries make to sustaining jobs in communities across the country. These productions provide good jobs not just for actors, writers, and directors, but also for the local carpenters and electricians, the drivers and equipment operators, the caterers and hotel keepers who provide services to these productions.

Adoption of section 181 also represented congressional recognition of the fact that this vital sector faces increasing competition from foreign production companies whose governments subsidize television and film production.

In 2001, the Commerce Department's International Trade Administration reported that made for television production of "movies of the week" in the U.S. had declined by 33 percent since 1995 and that production at foreign locations increased by 55 percent.
